**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition in the internet provider market, not less. Broadband access is very important to our household. We used Sonic DSL service over ATT owned lines for many years of excellent service that far exceeded what we were experiencing from ATT previously. We have recently upgraded to Sonic Fiber, and it is superior service at a far better price than ATT or Comcast offer in our neighborhood. Please to not reduce the competition that has given us the choice and price benefits we're enjoyed for years in San Francisco.
